FRC	9 <sup>th</sup> - 12 <sup>th</sup>	14 - 18	\$130	Provided at Registration

The season runs from Aug-Jan. Competition season can run from Jan-April.

Registration is very limited. We do our best to encourage parents to coach and find meeting locations convenient in their town. Please attend the one of the in-person registration events to see which program best fits your child and if there is a seat available near you.

Parents: We need your help to provide this program for your children. Please plan on signing up to volunteer as a coach, team parent or event assistant. With SJR's help, we provide you with guides and support to make it a great season!
